Subject: RE: 2019 Referral to IDA

A search in our database revealed a company, **Sterigenics US LLC** located at 7775 S. Quincy Willowbrook, IL 60527 had a Structural Pest Control License (fumigation category) which had since expired in 2017 and never renewed. They had inspections in 2011, 2013 and 2017 for pesticide application, insurance check and license check respectively.

Please let me know if you need more information.

Thanks, Ola

Thanks for checking, Suzanne!

Ola, please let me know if IDPH has any record of conducting an inspection at this facility. As mentioned in my message below to Suzanne, we don't believe there was and are looking to confirm that understanding.

Claudia.... We do not show any record of IDA conducting an inspection at this facility as a follow-up. You might want to double check with Ola too. He's on this thread and may respond.

Hi Suzanne:

Thanks for checking! The company is Sterigenics. I've attached the original referral from Tinka Hyde for reference. I think I mentioned in my message we're just looking to confirm whether any follow-up was taken. I don't believe there was, but please let me know if I'm wrong.

Thanks!

Hi Claudia... what was the name and address of the location that you left a message about for me yesterday wanting to know if IDA did an inspection in 2019?

Cyrogenics?
